INTEGRATED *ENGAGING* EFFECTIVE

Digital Signage Solutions

Chief mounts and accessories provide the flexibility needed to ensure ideal display placement and maximize the impact of digital content. Installer-inspired features and helpful online apps make it easy to specify, install and maintain even the most complex digital signage applications.

SUPPORT TOOLS

MountBuilder

- Visually build and specify your next installation using MountBuilder, Chief's professional online product configurator. MountBuilder auto-calculates weight capacity and drop-distance, generates a parts list and allows you to save and share configurations via PDF. Build your mount online at www.chiefmfg.com/mountbuilder.

Certified Partner Program

- Chief's online training program provides in-depth product information tailored to the industry's largest, and fastest-growing market segments. In addition to earning InfoComm RUs and CEDIA CEUs, you can now earn credits from the Digital Signage Experts Group, providing you with another avenue to differentiate your business. Get certified at certification.chiefmfg.com.

FUSION® VIDEO WALL SOLUTIONS

Chief's Fusion Series Pull-Out mounts extend 7" (178 mm) for easy cable access and servicing in hard-to-reach installations – even on the centermost screen of a video wall.

Available in landscape and portrait orientations.
