

The Epson EB-1880 offers high brightness and helpful features at an affordable price point. Powered by 3LCD technology, it delivers a vibrant, high-quality XGA picture, thanks to an equally high White and Colour Light Output of 4,000 lumens and a contrast ratio of 2,500:1.

Setting up and using the EB-1880 couldn't be easier. The projector automatically searches for the video source, so users don't need to do anything after plugging in their laptops. Sound is provided by the built-in 10W speaker. And, with Epson's clever 3-in-1 USB display feature, one cable is all that's needed for audio, visuals and mouse control.

Aligning the picture takes just seconds – vertical keystone correction is automatic, while horizontal keystone can be adjusted using an intuitive slider.

The EB-1880 has just about every input a user could need, both now and in the future, including HDMI. It also has a direct connection for Epson's ELP-DC06 USB document camera.

Offering installation flexibility, the EB-1880 is light and compact. Although ideal for ceiling installation, it can also be used on desktops – low tables are no problem with the projector's extra-long adjustable foot.

For a low total cost of ownership, the projector has a low power consumption and a long lamp life. Remote network management helps keep maintenance costs down, as the lamp life and filter temperature can be monitored from a single point on the network to remove the need for physical checks.

KEY FEATURES

- Bright, vibrant picture with 4,000 lumens White and Colour Light Output
- High-quality XGA image with 2,500:1 contrast ratio
- Automatic video source detection
- Convenient built-in 10W speaker
- 3-in-1 USB display means just one cable for image, audio and mouse control
- Effortless picture alignment with automatic vertical keystone correction

PRODUCT SPECIFICATIONS

PROJECTION TECHNOLOGY LCD panel	RGB liquid crystal shutter projection system 0.63-inch with MLA (D7)
RESOLUTION	XGA - 1024 x 768 (4:3 aspect ratio)
WHITE LIGHT OUTPUT * Normal / Eco	4000lm / 3200lm
COLOUR LIGHT OUTPUT * Normal / Eco	4000lm / 3200lm
CONTRAST	2500:1
SCREEN SIZE	30-inche to 300-inche
PROJECTION DISTANCE	60-inch screen: 1.69 - 2.75m
THROW RATIO	
ZOOM RATIO	1 - 1.6
KEystone CORRECTION	Automatic vertical $\pm 30^\circ$, and manual horizontal adjuster $\pm 30^\circ$
LENS TYPE F-number Focal length Offset Focus	1.51-1.99 18.2mm-29.2mm 8.6:1 Manual
LAMP Life (Normal / Eco) Type	3000 / 4000 hours 275W UHE E-TORL (ELPLP61)
CONNECTIVITY Video input Audio input Computer input Control input USB memory device input Epson USB visualiser input Computer output Audio output Microphone input Wireless connection	D-sub 15pin (Blue molding) x 2 Stereo mini jack x 2
ADVANCED FEATURES Security Operation EasyMP features	Padlock and security cable hole, Kensington lock Direct power on/off, Instant off EasyMP Network Projection, EasyMP Network & Control
LANGUAGES	35 languages including: English / French / German / Italian / Spanish / Dutch / Spanish / Russian / Swedish / Bulgarian / Polish / Hungarian / Czech / Slovak / Romanian / Croatian / Slovenian / Ukrainian / Greek / Turkish / Arabic / Hebrew
NOISE LEVEL (Normal / Eco)	39dB / 35dB
SOUND	1x10W
WEIGHT	3.3kg
DIMENSIONS (W x H x D)	345 x 263 x 107mm
POWER CONSUMPTION Normal / Eco Standby	363W / 297W 0.33W
