

# Epson EH-TW480 Projector

DATASHEET

The EH-TW480 is the ideal projector for gamers, film enthusiasts and sports fans who want a home cinema projector that delivers rich, sharp images as well as user-friendly controls that is great value for money.

This 720p HD-Ready projector offers 3LCD technology, a high White and Colour Light Output and easy portability to home users for a great home cinematic experience in whatever room they choose to be in. It delivers a 3,000:1 contrast ratio and is enhanced by Epson's 3LCD technology to provide superb quality images. An equally high White and Colour Light Output of up to 2,800 lumens means users playing video games, watching films or cheering on their sports team during the day no longer have to draw the curtains to view their content.

The projector is quick and simple to set up, thanks to its manual horizontal slider and automatic vertical keystone correction. Users can easily align the projection manually to ensure a straight and correct image. Share holiday photos or create a slideshow straight from a USB memory stick.

With its slim, lightweight design, users can easily transport the projector with them, taking the big screen experience wherever is convenient for them, whether it's in a different room or at a friend's house. Additionally, gamers, film enthusiasts and sports fans can enjoy their HD-Ready content much longer with the lamps long 5,000 hour lifespan.

## KEY FEATURES

- HD-Ready 720p big-screen experience
- 3,000:1 contrast ratio for deeper blacks
- Equally high White and Colour Light Output of 2,800 lumens
