

Top Performance

combined with highest reliability

User advantages

- Optimal dosage of projection light with dimmer
- Brilliant light output and perfect colours even under difficult conditions
- Anti-glare shield for the lecturer (top vision S 600 E plus)
- No unexpected lamp failure due to integrated lamp life counter
- Electronic unit for immediate lamp re-start
- Highly comfortable – integrated socket for connecting an additional unit
- Operator-friendly due to function switch at top of unit

Dim function for light reduction from 12000 to 6000 lumen

Anti-glare shield

Lamp life counter

Socket at projector. No new cable links if an LC-display, an audio unit etc shall be connected. The socket of the projector supplies the power.

12000
Lumen

The top class of overhead projectors
