

What's New From SanDisk®

SanDisk® Cruzer® – USB Flash Drives

Introducing Cruzer Micro – The Affordable USB Drive and More

Small, compact size fits on any key chain

- A computer in your pocket—programs on the go with U3™ smart technology! U3 turns your USB flash drive into a USB smart drive, and lets you carry programs and personal preferences, launch software, and access all of your own data on any Windows® XP or Windows 2000 PC.* Move between multiple locations with ease.
- New retractable USB port eliminates the need for caps and protects your port
- Available capacities: 512MB to 4.0GB**

Introducing Cruzer Titanium – Fast and Strong

Move more information to/from your PC quickly

- A computer in your pocket—programs on the go with U3 smart technology! U3 turns your USB flash drive into a USB smart drive, and lets you carry programs and personal preferences, launch software, and access all of your own data on any Windows XP or Windows 2000 PC.* Move between multiple locations with ease.
- Lightning speed up to 15MB[†]/sec write performance; download an entire CD in about a minute***
- Strong Liquidmetal® casing provides excellent durability and scratch resistance
- Retractable USB port eliminates the need for caps and protects your port
- Available capacities: 1.0GB and 2.0GB

* Requires high-speed USB 2.0 port for high-speed data transfer

** 1 megabyte (MB) = 1 million bytes; 1 gigabyte (GB) = 1 billion bytes. Some of the listed capacity is used for formatting and other functions, and thus is not available for data storage.

*** Actual results may vary

† Based on internal testing
