

Preliminary product information

EB-PU1000 series

Key features

- Replaces the EB-L1070 series
- Brightness range of 6,000lm to 10,000lm
- 4K enhancement and HDR
- NFC for fast set up and configuration of multi-projector installs
- SDI In/Out for daisy chain support (EB-PU2010 only)
- Compatible with the new ELPEC01 external camera system
- Supports PC-free projector stacking
- Supports Epson Projector Professional Tool for stacking, tiling, image calibration and more.
- Built-in media player with network content upload
- New ELPAF63 optional external air filter
- Brightness up to 10,000lm in a compact chassis
- 3LCD technology, delivering bright and accurate colour reproduction
- Optional lenses for greater flexibility
- Supports existing range of lenses
